ENGR. ROMELA N. RATILLA, CESO III

Regional Director

Department of Science and Technology-X

J.V. Serina St., Carmen, Cagayan de Oro City

Dear **Engr. Ratilla**:

The Department of Science and Technology-Science Education Institute through The Filipino Patriot Scholars Program will be conducting the **DOST-SEI Scholars Leadership Camp on 16-20 July 2025 (inclusive travel dates) in Dahilayan Forest Park Resort, Manolo Fortich, Bukidnon**. It will be participated in by 100 undergraduate scholars from Northern Mindanao Region.

The training will be composed of workshops on self-awareness, core values of a Filipino patriot scholar, communication and leadership skills, and interactive teambuilding activities. The objectives of the camp are the following:

1. To foster patriotism and nationalism among DOST-SEI scholars and instill in them the core values of Professional Excellence, Social Responsibility, and Servant Leadership;
2. To capacitate the scholars with leadership and organizational skills;
3. To foster camaraderie and solidarity among science scholars; and
4. To formalize scholars' association from NCR, Luzon, Visayas, Mindanao, CBPSME, and ASTHRDP to strengthen linkages/networks in sustaining volunteering initiatives among scholars for community development.

One of the highlights of the activity is the **"Peptalk with the Alumni Scholars"** wherein scholar-graduates will be sharing their success stories and personal accounts to inspire and encourage patriot scholars to better mold themselves in leading their communities, society, and the country.

Being one of our esteemed scholar-graduates, we would like to invite **Engr. Linreb G. Mondero** as one of the guests during the program on **16-20 July 2025**. We believe that his presence will contribute greatly to the success of the training.

Should he accept our invitation, may we request him to send us a copy of his Curriculum Vitae and fill out the attached Scholars' Profile Form as our reference to introduce him properly during the activity. We will send him a copy of the program later.

Our staff, **Mr. John Carlo V. Tanig**, shall coordinate with your office regarding this matter. Should you have any inquiries, your staff may directly coordinate with him at **jcvtanig@gmail.com / jvtanig@sei.dost.gov.ph** or cellphone number **09060647277**.

Thank you in anticipation of your favorable response to this invitation.

Very truly yours,

JAYEEL S. CORNELIO, PhD
